Ces meubles en bois de teck ou en acajou sont fabriqués et peints à la main à Bali où à Java par des maîtres artisans, que nous avons soigneusement sélectionnés pour leur savoir-faire et la qualité de finition de leurs produits. Tous ces articles sont conformes aux normes CE.

Tous sont disponibles en dimensions standard. Ces meubles peuvent aussi être réalisés sur mesure ou selon vos propres plans et dessins.

Avec nos équipes en permanence sur le terrain, nous pouvons vous rechercher tous de meubles et autres produits sur l'Indonésie. Nous pouvons faire fabriquer votre propre production selon vos directives et veillons à sa bonne exécution (contrôle production, contrôles qualité, respect des délais, contrôle des emballages, accomplissement des formalités douanières, contrôle des containers, acheminement jusqu'au port de destination).

This furniture is made in Bali or in Java from first class teak or mahogany wood coming from Java. Only solid dried wood is used to manufacture this balinese furniture. Benches, chairs, tables, consoles, chest of drawers, cupboards, cabinets, wardrobes, armoires, side boards and bedroom furniture are available in the dimensions of your choice. All of them can also be tailor-made or realized according to your own plans and drawings.

All this furniture is in compliance with international standards and should be exported to the United States of America, to European Countries and anywhere else through the world.

Specialist in international sourcing with a team on the ground taking a hands-on approach to business in Bali and Java, we can seek for you every kind of products at very competitive prices in Indonesia.

Your own production can be manufactured according to your instructions in Indonesia by a skilled labour-force and we ensure its proper implementation (production controls on site, quality controls at each steps of production to meet deadlines, packing control packing, customs formalities, checking of containers, transportation to the harbour of destination)
