L'ensemble des bijoux en argent 935 présentés dans ce catalogue sont fabriqués main à Bali par des orfèvres artisans créateurs.

Pour minimiser les risques d'allergies, ces bijoux sont fabriqués sans nickel et sans plomb.

La petite île de Bali est renommée dans le monde entier pour la qualité et l'originalité de ses créations artistiques et de ses handicrafts.

Sourceurs professionnels, nous sommes intransigeants concernant la qualité des produits et le respect des délais de livraison.

Avec notre équipe balinaise présente en permanence sur le terrain, nous pouvons vous rechercher tous types de perles, de bijoux, d'accessoires de modes, de handicrafts et autres produits au meilleur prix sur Bali.

Nous pouvons faire fabriquer votre propre production à Bali selon vos directives et veillons à sa bonne exécution (contrôle production, contrôles qualité, respect des délais, contrôle des emballages, accomplissement des formalités douanières, contrôle des containers, acheminement jusqu'au port de destination, possibilité d'expédition par avion directement à vos entrepôts).

All the sterling silver jewels stamp 935 presented in this catalog are hand-made in Bali Indonesia by talented silversmiths in Bali.

To minimize the risk of allergies, this sterling silver 935 jewellery are nickel-free and made without lead.

The small Isle of Bali is famous all over the world for the quality and originality of its artwork and handicrafts.

Experts in professional Sourcing, we are uncompromising to product quality and require the strict respect of time delivery. We can search for you all types of beads, jewellery, fashion accessory, handicrafts and other products at the best prices in Bali, ensuring you to get the best quality-price ratio.

You can also have your own jewels creations and jewellery production manufactured in Bali according to your own requirements. We take care of all the production process and supervise it all along - production control on site, quality controls, respect of the deadlines, packaging and packing inspection, customs formalities, control of containers, transportation to the harbour of destination and possible delivery by sea or by plane directly to your whole store.
